Olompali State Historic Park Mother's Day Bird Walk

Sunday, May 14, 2017

10:30 a.m.

It's always an exciting time to bird watch at Olompali! Beginning and experienced birders are invited to join leaders Janet Bodle and Rich Cimino to view Olompali's diverse avian residents as we walk the old ranch road to the park's reservoir. Expect to see some migrating species as well as a wide variety of species who thrive in the park's oak savanna and open grasslands: raptors, warblers, nuthatches, thrushes and – of course – many woodpeckers. Sharpen your bird-identification skills, gain a deeper appreciation for our local ecology and have a lot of fun along the way.

-- Families are welcome --

Meet In the Olompali parking lot at 10:30 a.m.

Wear layered clothing and bring binoculars, snack, plenty of water and a birding field guide if you have one. The 10:30 a.m. start will allow attendees time to go to lunch for Mother's Day!

New Park Entrance Driving Directions: If you are coming from the North on Highway 101, take the Atherton Ave/San Marin Dr exit, turn right at the stop light and follow the signs to the frontage road that leads to the park.

If you are coming from the South on Highway 101, take the Atherton Ave/San Marin Dr exit, turn left at the stop light, cross the overpass and follow the signs to the frontage road that leads to the park.

\$8 per car for parking - event is free.
