

# **Get to Know Your Neighborhood Nature!**

spotted towhee (*Pipilo maculatus*)

**Join us for our annual  
Audubon Christmas Bird Count  
Thursday  
December 15, 2016**

**Contact  
[yellowbilledtours@gmail.com](mailto:yellowbilledtours@gmail.com)  
to participate.**

It's always an exciting time to bird watch at Olompali! Beginning and experienced birders are invited to join leaders Janet Bodle and Rich Cimino of *Yellowbilled Tours* to view Olompali's diverse avian residents as we walk the loop trail. Expect to see some migrating species as well as a wide variety of species who thrive in the park's oak savanna and open grasslands: raptors, warblers, nuthatches, thrushes and – of course – many woodpeckers. Sharpen your bird-identification skills, gain a deeper appreciation for our local ecology and have a lot of fun along the way.
